

SANDRA HARRIS

I am Sandra Harris, candidate for the Miami Shores Village Council. I was born in Miami; my husband and I have lived in Miami Shores since 2003. We raised our son in this beautiful community taking full advantage of the excellent schools, parks and community activities.

I have a Master's degree in Public Administration and I am recently retired. I served as the Director of the City of Miami Office of Transportation Management which merged into the City's Department of Resilience and Public Works. In addition, I served as a Transit Section Chief for Miami Dade Transit. I was also appointed for two (2) terms to the Miami Shores Personnel and Appeals board.

I am running for office to simply serve the community that supported me and my family during my parenting and working years. Now that I'm a retired empty nester, I desire to give back to my community and remain a productive citizen.

If elected, I will support common sense proposals to facilitate the growth of local businesses; support and maintain the quality of life in our Village while keeping property taxes flat; adopt best practices to address conservation and climate change; and identify additional sources of revenues. I believe in a government that is accessible and responsive to its residents.

I am looking forward to serving on behalf of the entire community.
