

## SANITARY SEWER SERVICE LOCATION FORM

Name: \_\_\_\_\_

Address: \_\_\_\_\_

Phone No.: \_\_\_\_\_

INDICATE NORTH BY PLACING AN "N"

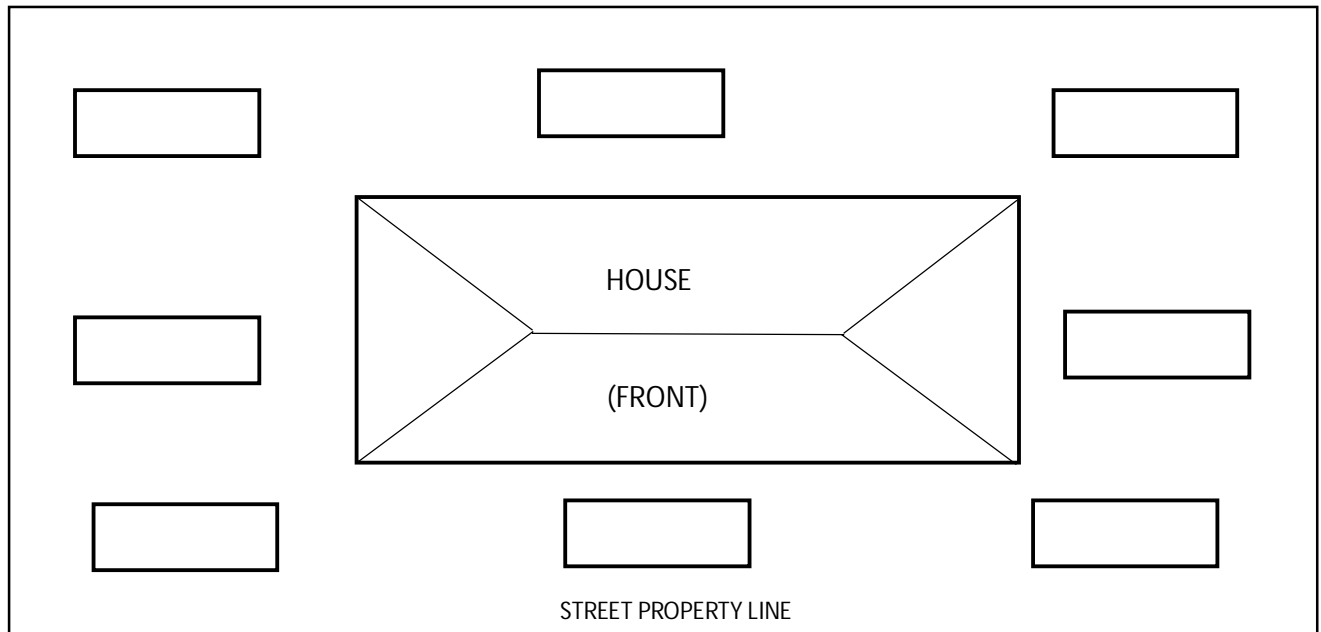

Diagram illustrating the layout of a property for sanitary sewer service location. The central area is labeled "HOUSE (FRONT)". The diagram shows a rectangular area with a central house footprint and a street property line at the bottom. There are nine empty rectangular boxes arranged around the house footprint, intended for marking features like toilets, cleanouts, and connection points.

INDICATE THE FOLLOWING:

1. Street Name: \_\_\_\_\_
2. Number of Toilets in House: \_\_\_\_\_
3. Month and Year House was Constructed: \_\_\_\_\_
4. Show Approximate Driveway Location.
5. Please Mark an "X" for the sanitary sewer cleanout(s) location on your property.
6. Show desired location for service connection point at street property line.
7. Add additional features that may be important (pool, guesthouse, deck, etc.).
