

MIAMI SHORES VILLAGE

# Bayfront Park Project

## Waterfront Access Options

① Stairs Into Water

② Boardwalk

③ Terraced Wall Into Water

④ Observation Deck

⑤ Observation Pier

Please note, this is a small sampling of waterfront access options and additional images will be available soon.

## FIND Considerations for Waterfront Access

- Public fishing & viewing piers
- Public waterfront parks and boardwalks & associated improvements
- Waterway boating safety programs & equipment
- Waterway related environmental education programs & facilities
- Environmental restoration, enhancement or mitigation projects with public access component

Criteria is defined under the **Florida Administrative Code Chapter 66B-2**.
